## Update from the Principal's Desk

Dear families and friends,

I hope this newsletter finds you all warm and well. Congratulations to our cricketers who participated in the T20-school cricket carnival last week. It was wonderful to see our school not only participating, but also practising the Macarena as they cheered our team. Looking at all the schools together, I was proud to see our students stand out so beautifully, getting involved and having fun. Thank you, Mr Pozzi and teachers for keeping us on track, and thank you parents for being there. Thank you kid for getting stuck in. Bravo! Our boys team has confidently progressed to the regionals, which will take place later in the year. More news as it happens!

Still in the realms of fitness and fun, the P&C and school organised a modest [National Walk Safely to School Day](#). Grazie mille a Galati's for their generous fruit donation, which served as a light breakfast for our walkers. With regards to safety, I had the pleasure of meeting Rachel Pemberton and City of Fremantle representatives to talk about road safety along Attfield Street with some members of the Board. I was pleased to see that they are considering our concerns about making this road safer for our students and families. We'll let you know more as it happens. There was a serious accident during school hours where Attfield meets Stevens St last term, despite there being a stop sign. Please be wary of this intersection as you travel, be it by foot, car or bicycle. Parking is an issue at all schools, so please also be mindful of the parking areas around the school.

You can now view our Public School Review report [online](#). Therein, you will read about what we are working on to improve as a school. To help us with this task, I am happy to announce the Lauren Murgia, our Y1/2 teacher, will be taking on a deputy principal role for 1 day per week for this term. Paul Hood, of Year 3/Room 6 fame, will be talking her class during her deputy time.

Safe passage to all, especially those families who will be travelling over the coming weeks. Good luck to the P&C on Election Day, who will be setting up before sunrise to raise money for our school. Please support them.

Be well, everyone, and thank you for all you do

Adriano (Mr T)

**Good luck  
to the P&C  
on Election  
Day**

### FRIENDLY REMINDER

If students arrive at their class after the siren has gone at 8.50am, they need to ask at the office for a late note so their attendance can be updated on our system.

Many thanks!

Do you like the new format of the Newsletter?, if so please let the office staff know.

### STORY DOG NEWS

Mishie and Gráinne have settled well into their weekly story dog sessions. Mishie loves coming to the school on a Monday morning and listening to her children read her lots of stories. Her favourite story at the moment is The Detective Dog, who not only solves crime but also comes to school on a Monday to listen to children read! Just like her! Thank you to everyone who supports us and makes it possible.

### NAPLAN Update

Students in Years 3 and 5 are currently sitting NAPLAN Online.

Assessments to take place next week include:

#### **Monday 20 May**

- Year 5 (Rooms 8&9) Spelling / Grammar and Punctuation
- Year 3 (Room 5) Spelling / Grammar and Punctuation

#### **Tuesday 21 May**

- Year 3 (Room 6) Numeracy
- Year 5 (Room 7) Numeracy

#### **Wednesday 22 May**

- Year 5 (Rooms 8&9) Numeracy
- Year 3 (Room 5) Numeracy

Children who were absent from assessments may undertake 'catch-up' sessions next week (in all assessments other than Year 3 Writing).

Like many WA schools, Fremantle PS experienced some technical connectivity issues during NAPLAN online Writing sessions on Tuesday. The Australian Curriculum and Reporting Authority (ACARA) and Education Services Australia (ESA) have advised that these issues were also experienced by schools in other States/Territories. Since Tuesday, in Reading and Spelling / Grammar and Punctuation assessments, connectivity issues have been much improved. We have had issues with some student's screens going 'blank' but children have not lost any time or previous work while this issue was resolved.
