## Update from the Principal

Dear families and friends,

Creating opportunities for sharing information and generating dialogue is really important for a healthy school community. While my feedback so far is that these sessions were well received, I know there is work to be done. We have been welcoming our new Kindy families in this week, as well as running information sessions for our families whose children are moving from Pre Primary to Year 1. We trialled a "How to Prepare for Secondary School" information session with Fremantle College, which went well. We will be running a similar session in the new year for Year 4&5 families. There is some info on that secondary session on Page 2.

Last Friday was UNESCO's World Teachers' Day. The P&C secretly set up a beautiful spread of treats for the teachers. It was a gorgeous surprise, and on behalf of the staff, I would like to thank the P&C, especially Sharon, Stuart and Zoe for being so sneaky and kind.

To help us think about Care and Diversity in our school, we had some special guests at our Values Assembly. Role models from Autism West put on a special presentation for the students about what Autism meant for them, they described how people with Autism can see the world in a different way to others and what things might affect peoples' behaviours.

Thank you Daniel (Ms Burmas' -Y3 prac teacher in Term 3 - brother) Phil and AJ (14 years old from Seton College) for your generous and informative session.

Much of this week has been about information and communication, so I thought I'd take this opportunity to share Department of Education info sheet about '[Talking with my school](#)'. This document can also be found on our school website. We welcome positive communication and will strive to get back to any written requests during work hours.

Best wishes to all, keep warm and Go Freo (PS)!

Mr T

## EARLY ARRIVAL

A reminder that students are not to arrive at school before 8.30 and on arrival they are to go to the library and wait quietly until dismissed by a teacher

Thank you

## **Moving to Secondary School**

On Tuesday, we sat with Janelle Mitonette, Associate Principal of Fremantle College, who did an amazing job at answering a range of questions about secondary school. Pearls of wisdom included:

- Inform yourself early about courses and schools.
- Attend open days and tours where you can.
- Secondary schools prefer to have an idea of enrolment numbers early, so enrol early.
- If you're not enrolled you won't get to participate in orientation or transition days.
- Chose schools where your children will be happiest.
- Don't sign up for programs that your children aren't interested in.
- Check to see if you're in the catchment area.
- Consider travel time and the toll that takes on children routines, friendships and wellbeing.
- Timelines:
  - Applications for Gifted and Talented programs (the online entrance exam) close on Sunday 9th February. See [Education.wa.edu.au/giftedandtalented](http://Education.wa.edu.au/giftedandtalented) , Phone 9264 4307
  - Year 7 enrolments are to be received by the first Friday of Term 3 (22nd May 2020) for Department of Education schools.
  - Applications for Specialist programs and Academies should be received by Friday 22 May 2020

We currently have a range of secondary school brochures (including Iona, Melville, John Curtin, Fremantle College, SMC and Seton) in the foyer for you to take at your convenience.

Thank you to all who came. We will be running a similar informal session in Term 2, 2020.

**Please, we ask that parents not drop their children off at school before 8.30am. If students are on the grounds earlier ie. 8.20am, they need to go directly to the school library where they can be supervised. Children should not be in the playground or on verandahs. They will be dismissed from the Library at 8.35am.**

**If you need to drop your child off at school earlier than 8.20am, please consider Wanslea Family Services, who run the Before and After School Care program on site.**

Did you know that this past month, around the world, October has been celebrated as International AAC Awareness, Advocacy and Action month? "What is AAC?" you may well be wondering.

AAC stands for Augmentative and/or Alternative Communication and refers to all forms of communication that people may use instead of or in addition to speech.

At Fremantle Primary School, we are already aware of some of the different ways people may communicate. For example, all of our students have the opportunity to learn Auslan and our deaf students and their families use Auslan as their primary means of communicating whilst our interpreters use both Auslan and speech all day. Many of us use other forms of AAC to help us communicate at different times – some of us will solve a breakdown in communication using facial expression, body language and gesture or perhaps using writing to get our message across instead of speaking or signing.

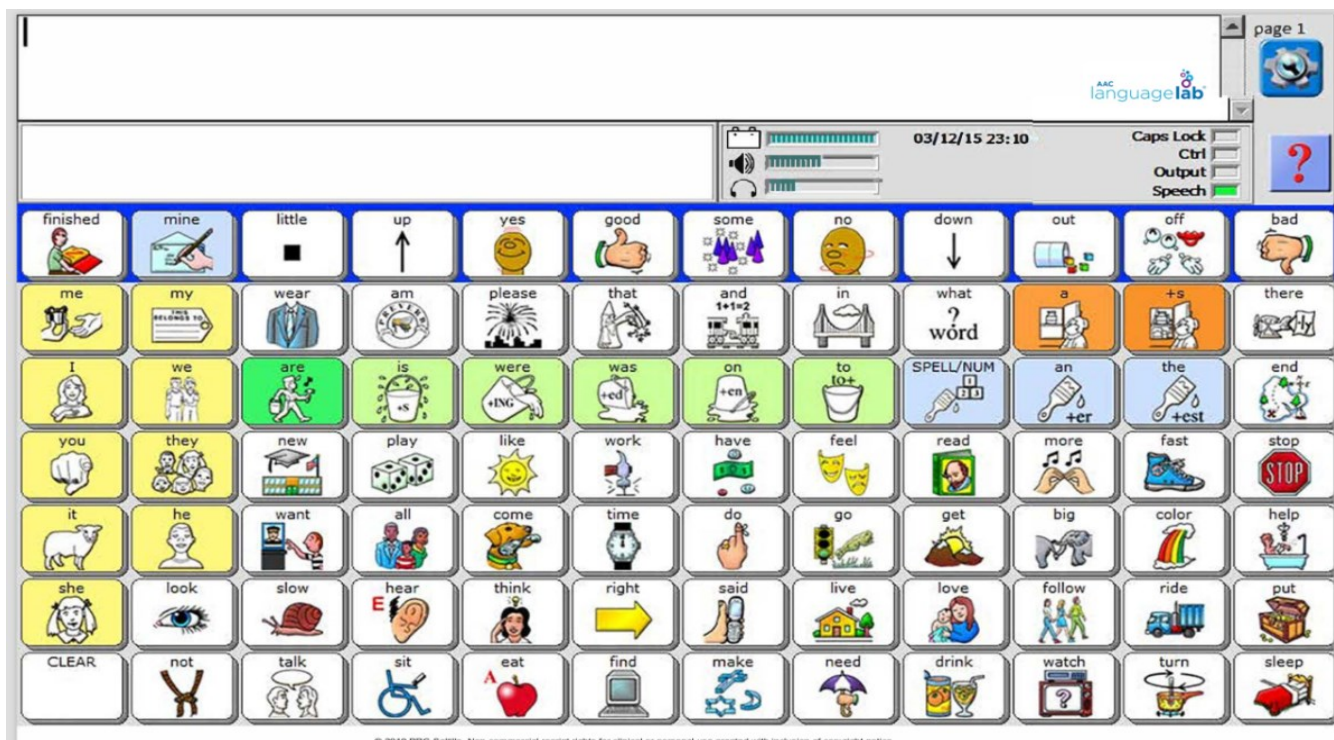

There are other forms of AAC too which include symbol boards or symbol books or high-tech devices including communication apps on an iPad. When we are learning any language – be that a spoken language, a signed language or a symbols-based language – it is hugely important, if not essential, to have lots of opportunities to see and/or hear other people using that language, to be immersed in that language so that we can experience how that language is used and we can in time learn to use that language ourselves.

This newsletter includes a one page board showing the home screen of an AAC device, or talker, used by one of our students at Fremantle Primary School. Take a bit of time to build your own AAC Awareness and then take some AAC Action with your family and friends:

See if you can find the words to point to as you say (or sign) some of these messages to each other...

I like it!	Do you like it?	I love it!	I do not like it.
I like you. Do you like me?	What's that?	Put it there!	
My turn! Your turn!	My go! Your go!	Time to go!	Do you want some?
That looks good!	Please help me.	I want to play	I feel good.

Can you think of some other messages you could say using the words on this AAC display?

### **Cook Book Fundraiser**

After a couple of stressful weeks thinking that we weren't going to get enough recipes to proceed with our cook book fundraiser, a desperate plea and an avalanche of last minute submissions got us (well and truly) over the line.

We chose a cook book fundraiser because we thought it would be a fun way to bring us all together and get to know one another (hence the family photos), provide inspiration in the kitchen and, of course, raise money for our school and, in turn, our kids.

*After seeing the recipes submitted, we are more excited than ever to produce our FPS cook book!*

With recipes from Russia, China, Armenia, Indonesia, Brazil, France, Mexico and Germany – it'll feel like we're all holidaying at home every night.

But seriously, what we really love are the family recipes – Great Grandpa's Easy Lemon Cheesecake, Grandma's Toll House Choc Chip Cookies, Millie's Five Minute Tea Cake, Nana's Summer Roll, Tata's Chilli, Nona's Ceci Soup and My Irish Mammy's Christmas Cake. This is what it's all about.

So, THANK YOU to everyone who got onboard and submitted a recipe.

We can't wait to share your recipes with our school community.
