Update from the Principal

Dear families

Last Friday at 3pm, many of you encircled the school (respecting our boundary rule) with thank you banners (photo above) to acknowledge the work of our staff. These banners, so thoughtful and colourful, adorn our admin area, and have been truly appreciated by all staff. For me, walking out to see so many people out to say *thank you* to our crew was incredibly moving. It made me feel incredibly proud of Fremantle PS staff, and proud to be part of such a supportive school community.

Jump ahead 1 week, and we mark the last day of what has been the biggest change in a generation to formal schooling. This change has been so deep and disruptive that it continues to dominate so much of our lives and community. It is no small matter that, with minimal preparation, parents and carers were asked to be immediately present for the learning of their children, and teachers were required to revision teaching and learning.

We have now made it through perhaps what is the first phase, and so this Monday (18th) will be a celebration of that achievement and return to school. As a school community, we will readjust to a new normal ready to face whatever further changes may lie ahead. Our safety and hygiene adjustments will continue, as will my weekly updates.

Thank you for your continuous and ever-generous support.

Be well, and Go Freo(PS)

Adriano
